Dear Representative:

Every year families in our area struggle to equip their children with the school supplies, clothing, food, and other resources that are vital to success in the classroom. Hope Church would like to assist families in Lee Hall, Newport News, to meet their needs in preparing their children for the 2019-2020 school year.

In an effort to help bridge the gap, we are hosting a Community Back to School Fair, August 24. The Community Back to School Fair's goal is to give every child that attends a backpack filled with the required school supplies. In addition, the event will include educational resources, information on community services, art activities, games, food, as well as haircuts for the children that attend.

We need support in obtaining necessary school supplies, vending equipment, and activity items. We would be grateful if you could support our community event. We anticipate over one hundred people in attendance. Any and all donations are welcome and are tax deductible. Monetary donations should be made payable to Hope Church.

We are dedicated to outreach as we bring hope and change to those who are in need. This is our goal, our passion, and our mission!

Sincerely,

Carteia V. Basnight
